President's Message - President Duane Pilarowski

It has been a busy month for the time of year many vacation. The ladies & men's luncheons have had a large participation as well as the community dinners. June community dinner was attended by the entire Lincoln Drive residents & many others. July Dinner had a large turnout as well. The food and friendship was outstanding at both. Many full timers are exercising walking and bike riding, meeting and greeting neighbors and enjoying conversation. On Tuesday, July 24, there was a great turnout for the Flag Raising Ceremony by the American Legion Post 159. GVE Resident Elizabeth Kramis donated this flag (which flew over the White House) in honor of her brother Alfred Antonacci Staff Sargent and gunner on a B-17. He was assigned to the 326th Bomber Squadron, 92nd Bomb Group in World War II. This was an honor for GVE and the patriotic ceremony was appreciated by many of our veteran residents as well. Kudos to all that participated in making this happen. Especially the SCSO that blocked area traffic and stood watch.

Our Snow birds will be hurrying back not wanting to miss out on all the fun & enjoyment. The summer months have not taken a vacation from the decision making concerning the maintenance and development of our beautiful neighborhood. I hope to see more of you at the Board meetings in the fall.

Beach Beverage Bustle

We've scheduled a co-ed Beverage & sweets at **1339 Washington, Tuesday, August 7th at 9 AM.** Woefully, on Tuesday, June 25th, it had to be canceled. The Red Tide caused a glitch on what was promising to be a really fun get together. Just beverage, snacks & lots of visiting with neighbors. If the Red Tide persists maybe we can find another similar location **but** for this month see you at **1339 Washington on the lake.**

This is not about the food, but about sharing friendship with your neighbors.

Future get-togethers will be on the second Tuesday of each month., for men and women. Everyone join the fun & camaraderie, bring your beverage, coffee provided, bring your own mixers & bustle to join the neighbors.

Stay in touch with gvenews@yahoo.com or call Angela for details.

Remember to update email address. This method is used for all invites and notifications.

A shout out to *Rich Delco*, Board Member & Architectural Review Committee Chair among the many hats he wears as the #1 volunteer for GVE. His continued and endless efforts to maintain GVE as a primer community are immeasurable. Rich modestly declined an interview for me to introduce him in the "Shout Out" column. His comment was "He does not do anything special, he is just a volunteer. But Special he is, Constantly working to support the GVE lifestyle. Checking the fountains, landscaping, the lakes, roadways, outside influences, working closely with the management company, etc. He says we need more Volunteers. He recruits by example. His volunteerism is an inspiration for others to take part in our community. Take a bow sir, you deserve it and you set an iconic example for others. Thank you for your efforts and endeavors.

Resident Comments:

It is with deep sadness that a report of a car parked on the new grass on Gilligan's Island has surfaced. Once again, there is no overnight parking on the streets of GVE. AND definitely, no parking on the new grass around Gilligan's Island. The landscape company worked hard to beautify the community only to have an inconsiderate resident, or a visitor, park on the grass. In the future, have respect and take pride in your community.

So sorry the picture of the Ladies Luncheon at Leftcoast Seafood accidentally was deleted while working on the computer during the storm. However it was a spectacular event. The food was exceptional and everyone ordered quite a selection of items. Food and laughter was thoroughly enjoyed by all. It was such a well planned event by Carol Armstrong. A great time visiting with neighbors (friends) in such a pleasant atmosphere.

Birthday Box

Only one birthday reported to me for August:
Happy Birthday Randall Bernsdorf—August 18

Community Dinner, July 26th. At the Waterfront Too! The food and service was exceptional. Their Prime Rib was cooked to perfection and a large portion. Some had the Coconut shrimp which was butterflied and superb. Those that could not attend missed a great outing with lots of laughs & just an all around great evening.
