President's Message - President Duane Pilarowski

It was good to see so many residents present at the January Board Meeting. Several residents had questions regarding business decisions & transactions. These monthly board meetings are the perfect opportunity to become informed about your HOA. Get acquainted with the officers, learn about the business your HOA is conducting and make any inquiries you have about the community. Hope to see you at the next board meeting, February 20th at the Jacaranda Library, 2 PM.

Our compliance committee is happy to report that the new policies initiated for 2019 are working well. The Board & Committee are happy to thank residents for their efforts in complying with the Regulations. EVERY resident should have a copy of the C & R's and familiarize themselves with them all. If you have any questions or need a copy of the Covenants and Restrictions, call Brian Rivenbark at Sunstate Management 941-870-3375. GVE is one of the "preferred communities" in the South Sarasota area. A vote of thanks to all our residents that put so much into keeping it that way.

John Canon, our Director of Street Captains is asking for a volunteer to replace Corrine Holck as Street Captain for Tyler Rd. Corrine and her husband have become snow birds requiring more time away from GVE. Corrine has served for many years and deserves a big Thank You for her service. She will finish in April.

Primarily, a Street Captain delivers the GVE newsletter to all residents on their street and provides guidance and information assistance for those neighbors on their street with questions.

Hard copies of our newsletters are delivered by Street Captains October through May when all residents are present.

Interested volunteers please contact John at 941-496-7903 or at canon.john3@gmail.com

Additionally, John has used his many talents to craft a **newsletter distribution box** that is located next to the book nook by the lake. From **June through September**, when our newsletters are only sent via E-mail and not delivered to each home, those that do not have a computer can pick up a copy of the newsletter the 1st of every month from the newsletter box. Thank you John.

Reach out to your street captain and let them know how much you appreciate their volunteerism. This is a busy job and they are the greatest to volunteer for such an important and necessary task. Please let them know how important their volunteering is to us. Also most importantly, John & Marie Canon for the many many hours of hard work they contribute to organizing and overseeing the street captains. This important position is what keeps all of our residents knowledgeable and involved in our great neighborhood. Communication is what keeps us on top of the list of best places to live.

From a resident on Buchanan: It would be nice to have more informal get togethers. I go to the community lunches and dinners but really don't get to know many of my neighbors on my street. Since the picnic got cancelled and it is usually held while many snowbirds have not arrived yet, could we have a Saturday or Sunday pot luck at a close by park instead of the beach? Everyone bring there own, if not too much trouble, the HOA could supply coffee, ice tea and paper products.

Volunteers needed to Hostess

Lunches

May 2nd
June 6th

Dinners

May 30th
June 27th

Some volunteers have agreed to host both lunch and dinner in the same month, but it is **NOT REQUIRED**.

Many find it easier to volunteer once a year. As a hostess, all that is required is to select a restaurant, call and set up the date (lunch is the first Thursday of the month) (dinner is the last Thursday of the month) and you then call the restaurant with the number of reservations the day before the event. These get togethers are such a great way to stay in touch. Please volunteer so this enjoyable function can be continued and we do not have to cancel for lack of a volunteer. Call Angela Theriault **293-528-6965 for more information**

Vice President's Message - Vice President Lynn Kilar

It is so nice to see so many residents out walking in our community, along our lake enjoying our newly installed fountains, enjoying all the birds and scenery. Meeting neighbors and taking advantage of our beautiful weather. It's great to live in GVE.

Community Dinner - a great time with 25 residents at Mama Leones. Thanks Linda Urosev for hosting and the great pics! Thank you Angela for your great organization maintaining the book.
